

We need your help!

Please participate in two online surveys

- 1) CSKT Doubled-Up Survey: We know that homelessness on the CSKT reservation looks different than in the cities and other areas. Our cultural values move us to share our homes with those who need a place to stay. Doubled-up means sharing housing with others due to loss of housing, economic hardship, or similar reasons. By completing this survey, you are providing information to make this story visible.
 - a. All information you provide remains confidential
 - b. Information is compiled into one report and no one will know exactly how you answered the questions
 - c. We ask that every CSKT tribal member complete this survey, even if you reside off reservation
 - d. The survey is trying to capture information regarding homeless individuals/families that are staying with friends/family for significant amounts of time. Either the homeowners or the homeless individual/family member can complete the survey.
 - e. The survey is 10 simple questions and takes less than 10 minutes to complete
 - f. The data collected will be used for grant proposals and other ways to help us create living situations for homelessness on the CSKT reservation

- 2) CSKT Tribal Member Workforce Survey: This is your opportunity to tell us about your education, experience and the type of work you are interested in. If so willing, please provide your contact information for us to follow up with you should a position arise at CSKT or one of our enterprises that you may be interested in applying for.
 - a. All Tribal members of working age (not retired) are asked to complete the survey
 - b. Please complete the survey, even if living off the reservation
 - c. Provide your contact information, should you want to be contacted, if a position you may be interested in becomes available
