

PUBLIC NOTICE

The Salish & Kootenai Housing Authority applied to the U.S. Department of Housing and Urban Development (HUD) for the Fiscal year 2018 & 2020 Indian Community Development Block Grants (ICDBG) to fund its Housing Improvement Program and to provide homeowner assistance to Tribal Members. This is a competitive grant program offered through the HUD office of Native American Programs.

The original grant was to rehab 14 homes for each grant, but with the cost of building materials SKHA does not have enough funding to effectively complete 14 Home Improvement Rehab jobs and will reduce the number of homes from 14 completions to 10 for both FY18 & FY20 ICDBG grants.

Public comments will be accepted until May 10, 2023 at 3:30 pm. Questions and comments can be emailed to the grants/accounting specialist,
