

Homeowner Assistance Fund Program (HAF)

The Salish and Kootenai Housing Authority's Homeowner Assistance Fund Program has officially ended.

As of April 8, 2024, we are no longer accepting requests for a second round of assistance.

Due to the influx of applications received and the amount of assistance expended for mortgage payments, homeowner's insurance, and property taxes, the HAF Program funding we received from the U.S. Treasury Department has been fully expensed as of April 8, 2024.
